Summary

NO WORK EXPERIENCE

Here is a brief look at my skills and experience that I believe makes me a good match for Junior C# Developer position :C#/.NET,WinForm,WPF,DataBase(MySQL),ADO.NET,Git.I think my analytical skills and logical thinking will help me to be a valuable employee in your company. Also my communication skills and positive outlook on life will make me an effective team member.

I'd be glad to present more details if you're interested.
Best regards , Vadim Slobodzian
